# THE FRIENDS OF COBHAM CHURCH

There has been a Church on the present site of St. Mary Magdalene, Cobham since 1115 although the building we see today is the result of extensive rebuilding carried out between 1360 and 1370.

Not only is our Church the focus of local Christian life - it is also of national importance because it houses the finest set of monumental brasses in the world.

Over £300,000 has been spent on recent major repairs and future projects include urgent work to the stained glass windows.

This ancient building has been your witness to the Christian faith for countless generations. With your support, we will be able to ensure its survival for the use of future generations.
